2. Pray daily for Mountaintop and Score International Missionaries – Salvadore and Veronica Barrantes

**What to expect from the trip:**

1. **Growth:** Spiritually, Physically, and Emotionally. We will be partnering with a local congregation to help engage the hearts of those in need of medical help and open God's word each evening with an evangelical outreach.
2. **Challenge:** The purpose of the trip is to provide minor medical services for the community of Los Guido (a refugee community we have worked with for over 6 years). We need many hands and hearts to properly care for each person who visits the pop-up clinic. Those with gifts in administration, organization, or people skills would be a huge asset on this trip.
