

WEEK OF SEPTEMBER 15, 2024

specific dates will be determined soon

Medical-focused trip with outreach in Los Guido and San Jose to assist long-time Mountaintop Partners, Salvadore and Veronica Barrantes. Trip is limited to 15 participants.

ABOUT THE TRIP:

We're excited to partner with Salvadore and Veronica Barrantes, for a trip that will focus on helping people with health and medical issues.

This trip is for anyone with a willing heart to serve. There are plenty of roles for medical professionals, such as nurses, technicians, and doctors.

Not a medical professional? No problem. We have opportunities for non-medical people too.

We will be taking a doctor and a nurse, but need people to intake patients, pray, and care for those who attend the clinic.

You can register at mountaintopchurch.com/missions.
